

Features List

Pure

A LIFE OF REFINED SIMPLICITY

At Pure, simplicity means choosing what's important, perfecting the big vision and the smallest details, and creating an authentic space people love living in.

SIMPLY. WEST SIDE.

- A walkable West Side Vancouver location at 49th & Columbia just steps to Langara College, the Cambie Corridor and Langara-49th Avenue SkyTrain Station
- Set in the middle of an upcoming retail corridor along West 49th Avenue, Pure includes ground-level retail shops

BIOPHILIC DESIGN. A NATURAL CONNECTION.

- Natural amenities right outside your door are some of the finest in the city, including Langara Park, tree-lined Langara Trail, and the scenic Langara Golf Course
- Biophilic, nature-inspired elements incorporated throughout the building design create a multi-sensory experience with the use of natural light, textures, and botanical and fluid forms
- An impressive entryway creates a sense of arrival with a calming water feature, double-height ceilings, signature staircase, and natural wood, stone and green decorative elements
- Generous outdoor patios and balconies provide homes with fresh air and natural light
- Select patios feature natural landscaping for a calming effect
- Indoor and outdoor rooftop amenities draw relevant inspiration from natural elements found in this tree-lined West Side neighbourhood, as well as the youthful, educated minds filling up the nearby colleges
- Signature chestnut tree along Columbia Street is retained to maintain the street's character and ensures that this feature tree is seamlessly integrated into the community's design

HOMES

- Two colour palettes by CHIL Interior Design, both inspired by natural elements such as water and earth, designed with intention to create homes that boost your mood, productivity and sense of well-being
- Interior home finishes have been selected to improve the indoor environmental quality by minimizing harmful VOC compounds
- Premium hardwood-style laminate flooring throughout main living spaces and bedrooms
- LED pot lighting throughout with LED surface mount in bedrooms, living rooms, and flex storage spaces
- Homes pre-wired for phone and Internet

KITCHENS

- Distinctive kitchen cabinetry with upper doors in Alpine White with wood veneer cubbies and lower cabinets in Cashmere or Brittany Blue
- Soft-close doors and drawers with integrated J-pulls and brushed nickel appliance hardware
- Durable solid quartz stone countertop with terrazzo-inspired tile backsplash
- Prochef single-bowl undermount sink with padding for maximum sound reduction
- Kraus Oletto kitchen faucet in Brushed Brass
- LED under cabinet task lighting
- Multi-functional smart island, with convenient storage and built-in electrical and USB outlets, adds flexibility to your home whether you need extra space for your work from home desk, studying, or preparing your favourite new recipe (two- and three-bedroom homes)
